Volume 55 Issue 2

On May 16 - Mercedes-Benz of Smithtown opened their doors to members of our club. The Grand tour included Joe Buzzetta's 1955 Gullwing across from his new Gullwing SLS. The excellently preserved 1955 gleamed on the showroom floor. The tour also included the glass-enclosed service area so clients can see their car meticulously analyzed by trained techs. Cars awaiting service or pickup are stored in a lower garage - out of the elements. The expanded Smithtown dealership's new location is only two and a half years old. Their message to our members stressed "it's all about service to Mercedes-Benz clients". Techs were on hand to explain some of the new safety navigation and entertainment systems incorporated into the latest vehicles.

Mercedes-Benz of Smithtown displayed a new Gullwing SLS in their showroom

President's Message

At last warmer weather is upon us! It has been another long cold winter. I hope your Mercedes has had its spring cleaning and is ready to enjoy the warmer weather.

This year promises to be an exciting year for your Mercedes. For the first time in more than fifty years there will not be a June Jamboree at Mercedes headquarters in Montvale, New Jersey. Mercedes Benz, NA moved their headquarters south to Atlanta, Georgia. Instead there will be a show later in June. I understand it will be an exciting show and I hope you put it on your calendars. We will be having a summer event right here on Long Island in mid July. We are working out the final details now and look in our weekly blasts for further information.

Your board is also working on our show now called Great Marques at Old Westbury Gardens. It promises to be the biggest and best yet. On the last Sunday in September we will be at OWG rain or shine. An ad will appear in the Star Magazine's July/August issue. We will have a fine selection of Mercedes from our area and the East Coast. There will be a class that is just right for your Mercedes Benz! Plan on joining us. Look for details in our e-mail Blasts.

I hope to see you and your Mercedes Benz at these events. In the meantime enjoy your Mercedes!

Section Pres. Oliver Seligman
