Gullwing Motors Tech Session

Lou and Steve Palumbo, in their Mineola shop, treated members to breakfast cake, fruit, juice and coffee and lunch of various wraps, pasta salads last week. The conversation included the weather, winter car pothole problems and transmission service on our M-B cars. Gullwing has been a very generous corporate supporter of our section for many years and Lou shares his Mercedes-Benz knowledge with anyone, club member, current or future. Lou also wears many hats within the club. He originally served as section Technical Advisor and now served as V.P. and Treasurer. Lou is again one of our Premier Sponsors for our major event, "Great Marques", September 26 and 27. As he has in previous years, Lou will help shape the event, co-ordinate with OldWestbury Gardens and serve as a Concours Judge. He is also well qualified to assist other Judges in the new "Star Preservation Class" awards presented at these highly anticipated venues. He has been invaluable to the club and his shop in Mineola serves, lovingly, as our Section "Club House". The combined automotive knowledge of Lou, Steve and Andy would span 100 years. We enjoy our informative Tech Sessions with Gullwing and look forward to many more.
