2020 – Healthcare workers Appreciation Drive -by Sean Aryai

June 29th

**Drive by of Nassau County University Medical Center and A. Holly Patterson,
Uniondale**

A group of our members met and then drove around the Medical Center to honor those that put their lives on the line daily for us. We also fed them bagels and coffee that day as we did during the months of April and May when the coronavirus was

at its peak. I am happy to say that on that day No One had COV-19. All the personnel, doctors, nurses, nurse's aides and hospital personnel, wore masks as well as all members of New York City -Long Island section.

Thank you for helping to help our frontline heroes. We raised \$5,500.

Stay well, stay safe and we will get through this! – Section Pres. Oliver Seligman

We arranged breakfast for all 13 units at the facility with over 200 bagels and coffee for the Healthcare workers and staff.
