President's Message

The end of the summer is our busy season with many wonderful events upcoming. On September 25th is our Great Marques event. This year we will be sharing the field with BMW, Porsche and our new partner Ferrari. There will be a large 30 foot by 60 tent and for the first time free food for those that enter a car or help out. The food vendor also says he will bring gelato. Our main sponsor is Rallye Mercedes Benz of Roslyn. They will bring some of the latest Mercedes Benz offerings. There will be a concours class, a touring class and a display class. We are also offering a modified class to those Mercedes enthusiasts that have modified their vehicles tastefully. Finally there will be a preservation class as well. Trophies will be awarded to participants in the Concours class, the modified class and the touring class. We hope you join us and bring your Mercedes Benz! Send in your

application or register on line at Motorsportreg.com. We are now associated with Long Island Cares and ask that you to bring a non-perishable item and /or write out a check to LICares.

application or register on line at Motorsportreg.com. We are now associated with Long Island Cares and ask that you to bring a non-perishable item and /or write out a check to LICares.

The week before our big event Sandy Kane is having his Crusin' for the Cure event. Sandy is a member of our club and his newly restored 250SE convertible will be on view at both events. In addition on the 15th of October is the Alternatives for Children Rally, always a great event. Our Christmas party is scheduled

for December 4th. Once again it will be at the New Hyde Park Inn. We hope that you will be able to join us for these events.

During the summer a fairly large group of us went to StarFest in Eastern Connecticut. There we mingled with our colleagues from New England and all across the country. At Thomson Speedway I watched as some of our Mercedes Benz's sped along at speeds in excess of 150 MPH. Others including some diesels sped along at 80 MPH. There was room for all! On another day we were treated to a Concours in which several of our members participated. Our own Jerry Robinson and Dominic Citera received awards.

We will soon be thinking about events for 2017. If you have an idea, share it with us. This is your club and we always want to make it better!

Enjoy your Mercedes.

This picture was taken at the Deutsche Classic show in Oley, PA in July. I am in the 1957 VW bus and we have just finished judging it. It was really neat and clean. All the boys in the bus are youth judges. I helped to get some boys who were at the show to be judges too as we did not

have enough boys to start with. We go to different events and our jobs are to look at cars being shown and say how good we think they are. We are just learning how to do the job right are very proud that we have been picked to be judges and hope to get better and do a good job. I have been going to Mercedes shows since I was a little kid. My dad is President of the

Keystone Chapter of Mercedes Clubs in Pennsylvania and he and my Mom autocross all the time with different Clubs.

Hagerty Youth Judging Awards from Deutsche Classic:

- 1st Place: 1962 Porsche 356B
- 2nd Place: 1994 BMW M5 Wagon - one of 3 in the US
- 3rd Place: 1969 Mercedes-Benz 280SL

In August I went to the Poconos for vacation and also to go to the Indy car race at the Pocono Raceway- the "Tricky Triangle". We also went to the track on qualifying Saturday. My dad got us pit passes so we could go in the back to meet the drivers and see their cars up close. I was really lucky. I

was thrilled to meet my favorite driver of the Verizon car Will Power. You can see he was very nice and friendly. I am going to get our picture made bigger to keep. This was a day I won't forget for a long time. I am really glad my dad did this for me. And two days later Will Power won the 500 mile race!

I will be at the Radnor Hunt show on September 11 to judge more cars with the Hagerty youth judges.
