Damn near perfection! From the cars we drive and your Club. Your club is striving for it. We try to achieve it at our events, our meetings and our interaction with other clubs. Like the cars we drive, Perfection is about serving you - our members. We value your input and advice. Thanks for participating in this adventure with us. Thanks for your input and - yes - even your criticisms. Together we learn. Perfection!

Editor John Mc Auliffe

President's Message

December is already upon us! The holidays are just around the corner. Where did 2014 go? The year was a good one for us and I hope it was for you too. We started the year with a technical session at Rockville Center Mercedes. It was a cold day but you came and were warmly greeted by the staff. More than twice as many of you came but you were all well fed. In June many of you traveled to New Jersey to participate in the Jamboree and many of us walked off with awards. We were all winners! And in September you took part in European Classics East right here in Old Westbury Gardens.

Our national, President, Terry Kwaila, joined us and we had a wonderful car show. For the first time we had a preservation class and while we are still awaiting the awards it was an exciting addition to our show. Our biggest sponsor Rallye Motors brought a stable of new Mercedes Benz offerings including the GL250, a new C Class, a new B Class electric and a Sprinter. Also on hand was a Sprinter Interstate, a Gulf Stream Mercedes Benz collaboration. Our calendar for next year is filling up fast. In February we will be visiting the Gliptone factory on Long Island. In March there will be a tech session at Gullwing Motors in Mineola where there is a state of the art paint facility. In April we hope to attend the NYC International Auto Show. As soon as we have details we will post them. We are also working on making the Old Westbury Gardens Car Show a major east coast event. It has been renamed Great Marques. I hope to see you at these events. I hope to see you at these events. Bring along a friend or two so we can share these moments. In the meantime have a healthy happy holiday

European Classic East

The CT/Westchester and NYC-Long Island Sections attended EUROPEAN CLASSICS EAST TM on Sunday, September 21, 2014. The morning was misty after an overnight soaking and fear hung like the low clouds over the assembled BOD members and support Team. We were pleased that National Club President, Terry Kiwala flew in for the day and worked hard for us. Section Pres. Oliver Seligman organized the volunteer job assignments and we were underway to dress the field for the 9am start. All BOD member greeted our guest who prepped their cars for all to view.

By the time the Mercedes-Benz class contestants arrived, the heavy damp was replaced by a warming sun. Typical New York humidity lingered all day but, the occasional breeze brought some comfort on the open Great Lawn of Old Westbury Gardens.

The festivities began with Coffee and Cake from Gullwing Motors, Section VP. Louis Palumbo. Gourmet catered lunch was offered to our guests and all the pre- planning paid off. We welcomed Rallye Motors with the latest available M-B vehicles including the all-electric B class and a Sprinter Cargo Van. Colonial RV in conjunction with Airstream demonstrated their luxury Recreational Vehicle - Interstate. All our vendors were busy with inquiring guests throughout the day. All day long we collected a raffle for a chance win a set of tires from Continental Tire. We thank them all for their donation and participation.

Several judges assembled to divide the Concours entrants for evaluation. Our Head Judge, Section Sec. Jan van der Baan was also assigned the task of the MBCA Star Car Preservation Class. We had several entrants for this valuable Class which honors the most original but, classic driven cars on the field. The beautiful cars were lined up with care by our former President John Anaischik.
