President's Message

I hope this message finds you and your loved ones safe and healthy. This has been a year like no other! There is a light at the end of the tunnel and 2021 is just around the corner. Your board is planning for next year. Hopefully it will be a real world instead of the virtual one we live in now.

We have a date for Great Marques and our 2021 Holiday Party. We will be meeting virtually soon to plan for the first half of 2021. If you have an idea, you'd like to share with us please send us an email. We would love to hear from you.

National MBCA has finally come up with a good rebate program for those of you that buy or lease Mercedes Benz automobiles. The rebate program can run into thousands of dollars. If you know anyone that is thinking about buying or leasing a Mercedes Benz, you should tell them about the program or let us know. There are many new models including E Mercedes Benz's that will be arriving soon at dealerships.

Stay healthy and we hope to see you soon at one of our events.
Happy Holidays!

2020 – Healthcare workers Appreciation Drive -by Sean Aryai

June 29th

**Drive by of Nassau County University Medical Center and A. Holly Patterson,
Uniondale**

A group of our members met and then drove around the Medical Center to honor those that put their lives on the line daily for us. We also fed them bagels and coffee that day as we did during the months of April and May when the coronavirus was at its peak. I am happy to say that on that day No One had COV-19. All the personnel, doctors, nurses, nurse's aides and hospital personnel, wore masks as well as all members of New York City -Long Island section.

Thank you for helping to help our frontline heroes. We raised \$5,500.

Stay well, stay safe and we will get through this! – Section Pres. Oliver Seligman

We arranged breakfast for all 13 units at the facility with over 200 bagels and coffee for the Healthcare workers and staff.
